Greetings Friends:

Envision Utah requests the pleasure of your company at our 2010 Corporate Friends Breakfast hosted at the **Little America Hotel Ballroom on Tuesday, April 20<sup>th</sup>, 2010, 7:30 – 9:00 a.m.**

Little America Hotel is located downtown, at 500 South Main Street, in Salt Lake City. The annual

Corporate Friends Breakfast is our opportunity to share our progress in creating a world-class community and engage a thought-provoking discussion of our region’s potential.

Please join us for a dynamic and informative address by Bishop H. David Burton, Presiding Bishop of The Church of Jesus Christ of Latter-day Saints. Bishop Burton oversees the Church’s business interests, including construction of the exciting City Creek Center that, when completed in 2012, will be the largest mixed-use project in Salt Lake City (20 acres). It will encompass over 900,000 square feet of retail, including an outdoor pedestrian shopping mall capped by 115 apartments, 1.6 million square feet of office space in eight buildings, a grocery store, and five residential towers with about 650 units. Bishop Burton’s keynote address will update Envision Utah’s Corporate Friends audience on City Creek Center’s progress and celebrate this spring’s opening of City Creek’s food court space. Bishop Burton also leads the Church’s worldwide welfare and humanitarian outreach to relieve suffering by responding to emergencies which, on average, occur every two days.

We recognize the importance of your business schedule; therefore we will keep the program to the time allotted.
